THE LATE HOMICIDE,-In yesterday's issue we gave an account of the killing of Wm. McCarty by James Woods. Since then an inquest has been held by Coroner Philson, when the jury, after examining the body and hearing the testimony, returned a verdict to the effect that Mc-Carty came to his death by wounds in-flicted by James Woods. Dr. H. Bergstein, a physician and surgeon in this place, testified to the nature of the wounds. From Dr. B.'s testimony we extract as follows: "I saw one wound upon the right and front of his head; it had penetrated the frontal bone. There were several slight seratches about the face, and also one on the opposite side of the head, and one passing through the right arm. The third wound had passed the front wall, on the right side of the chest, between the first and third rib, and cutting through the second, penetrating the lung; this was the fatal wound. There were three flesh wounds in the

PACIFIC TUNNEL. - This is one of the most important mining enterprises in this busy mining camp. Mr. Nichols, the Superintendent, is among the pioneers of the camp, one who has linked his fortune with that of the Ely district. The tunnel was begun in May, 1870; it has been extended into the hill 1,072 feet, and the work is still being pushed energetically. At the end of the tunnel it is 544 feet from the surface. A winze is being sunk at a distance of 420 feet from the mouth of the tunnel on ledge No. 1. Three shfits of 15 men each are kept constantly at work. At this time we cannot do more than refer in general terms to the Pacific Tunnel, but in a few days we hope to be able to give a detailed account of it. Three assays from the Pacific Tunnel yesterday shows as follows: 1st assay, \$543 52 to the ton; 2d \$487 57; 3d, \$983 36. Aver-

ACCIDENT .- Yesterday morning a little son of Wm, C. Glissan met with an accident which came near proving serions. While turning the corner of Main and Meadow Valley street the horse he was ridiug slipped upon the ice formed at the corner and fell—the weight of the animal being thrown upon the boy's thigh. The boy was also bruised about the head. He was taken into Bishop Bros', drug store, where the proper restoratives were administered and he was subsequently removed to the resi-dence of his parents. Dr. Deal, the family physician, was called, and upon close examinated it was found that no bones had been broken nor any serious injury done, though there are some bruises about the head.

CHRISTMAS GIFT LOTTERY. - Among other attractions to be met with in this camp, Rosenthal's Christmas Gift Lottery is worthy of mention. There are 8,000 chances at \$1 each and 250 prizes, consisting of watches valued at \$500, \$350 and \$300 respectively, besides various other prizes ranging from \$10 up to \$150. The drawing will take place on the lith pror; so there is time yet for any one who desires to take the chances of winning a first class prize for the small sum of \$1. The drawing will take place under the supervision of a dommittee to be appointed by the holders of tickets.

THEATRE.-Last evening a splendid bill was presented to the public. A full house as usual. Miss Maggie Knight, one of the brightest and most attractive stars in her branch of the profession, fully displayed her capability of excellence, and elicited a number of encores. Messrs. Jenkins and Lorraine, as end men, every evening show a decided spirit of improvement. They are truly sable artists. In the Olio, their double song artists. In the Olio, their double song and dance was rendered in a very pleasing style. We would again call the attention of our citizens, especially the many families living among us. that they can enjoy a good and respectable evening's entertainment at the theatre. The troupe is equal to any in San Francisco, the house is comfortable, and the entire programme every evaning is cotton up. programme every evening is gotten up with good taste; and nothing is said or done that would disturb the feelings of the most fastidious. Messrs. Mason & Lorraine have placed themselves under considerable expense in bringing first class artists here, and it is the duty of all to assist them. The monotony of the long evenings can be greatly relieved by going to the theatre. It will be a long time before we will again meet with a minstrel troupe equal to the present one, and we should endeavor to keep them here by giving them our hearty support; and encourage them to add more novel-ties. It has been requested by a number of gentlemen that a matines be given on Saturday afternoon, for the benefit of ladies and children. Mr. Mason has kindly consented, and will give a first class performance on that day, to com-mence at 2½ p. m. Admission to all parts of the house, 50 cents.

THANKSGIVING DAY .- Thursday next is the day set apart by President Grant as a day of public thanksgiving and prayer. the Presidents recommendation has been adopted by the Governor of this State and the Governors of all the States and Territories so far as we are advised. In glancing over our exchanges we notice that preparations are being made for a proper observance of the day. No steps have been taking in Pioche, so far as we are advised, in regard to the approach-ing holiday, and we only call attention to the subject now in the hope that, if any observance is contemplated a movement be made at once.

Oversight -By an oversight it was made to appear in yesterday's report of transfers of property that the Mammoth lode was indeed a "mammoth" in dimensions as well as by name. length of the entire location is 6,000 feet; whereas, it was made to appear that several parties had sold that amount. The transfers are matters of record at the Auditor's office.

FOR THE STATE PRISON.-Yesterday three prisoners were started for the State Prison, in charge of Deputy Sheriff Thos. Condon. They were Perry Fuller, for 15 years, for murdering an unfortunate Spanish woman, and then pleading guilty of murder in the second degree; Frank Taylor, one year, for forgery; Charles Garrett, one year, for robbery.

NATIONAL MINING Co .- This is a company operating in Bristol District, in the adjoining county of Nye. A few days since the company extracted ten tons of base bullion of superior quality in 24 hours' time. We were yesterday shown by Mr. Sides a bar from this mine, which will be shipped to-day by Wells, Fargo

/YUNERAL. - At the appointed hour the remains of Wm. McCarty, the victim of the terrible stabbing affray on Wednesday, were borne to the cemetery followed in mournful procession by his personal friends. It was a sad spectacle, forcibly reminding one of the frail tenure we have upon life.

INSANE.-Eugene Sullivan, who has been adjudged insane, was yesterday taken in charge by Deputy Sheriff Condon, for conveyance to Car-on, from whence he will be taken to the Insane Asylum at Stockton, Cal., this State having made no other provision for the unfortunate insane.

WE call attention to the great Auction Sale on Meadow Valley street, opposite the Old Theatre Building, to morrow morning at 11 o'clock, and at 7 o'clock in the evening. Now is your time to secure a splendid chromo or a silver tea set. See new advertisement.

MAHONEY & O'Tools .- The new store of this enterprising firm will be opened to the public to-day, with a full stock of superior articles in their line. The store is on Main street, adjoining the Descret Telegraph Co.'s office. Go and see the good bargains they offer.

Orstens .- The San Francisco Restaurant and Chop House, Meadow Valley street (next door to the Dexter stables) advertises the great luxury of fresh oysters whenever obtainable in this market. Good meals are also served in this restaurant.

HENRY C. AUBERY has been appointed Assistant Assessor of Internal Revenue for this (the sixth) district of the State Lincoln county alone composes the district.

OUT AGAIN.-Frank Dowd, who is one of the parties injured in a shooting affray on the day of the last general election, is out upon the street. He was not seriously injured.

MESSAGES at the Western Union Telegraph office for Jos. Morris (teamster), and A. L. Wilson. R. H. Mosron and Jack Blanco will arrive to-day by the Hamilton stage.
